

FAT DRAG HANDLEBAR – 55977-09A (SATIN BLACK)

FAT DRAG HANDLEBAR

FAT DRAG HANDLEBAR

Complete the transition to the “dark side.” Elegant satin-black finished handlebar retains the comfortable contour of the Original Equipment bar, and complements the black finished hand controls and mirrors.

55977-09A Satin Black.

Fits '13-later FXDWG, '08-later FXDF, '10-later FXDWG, '10-later FLSTF and FLSTFB and '99-'15 FXST and FXSTB models. All models require separate purchase of additional components.

Brake Lines, ABS – Lower	n/a	41800032A	41800076A

NOTE: Installation of handlebars and risers may require a change in clutch cables or lines, throttle cables, or brake lines for some models. All modular lower brake lines listed are based on stock front suspension. Harley-Davidson Motor Company cannot test and make specific fitment recommendations concerning every possible mirror and handlebar combination. Therefore, after installing new mirrors, handlebars, or control cables/lines and before operating the motorcycle, check to ensure that all controls are fully functional and that the mirrors provide the operator a clear view to the rear. Handlebar height is regulated in many areas. Check local laws before installation.
