

**ROAD GLIDE® CHIZELED HANDLEBAR – 55800439 (CHROME), 55800440 (GLOSS BLACK)**

**ROAD GLIDE CHIZELED HANDLEBAR**

**ROAD GLIDE® CHIZELED HANDLEBAR**

Bring cutting edge style to your custom bagger. The Road Glide® Chizeled Bar combines the rise of a 14" mini-ape with the edgy profile of the classic "Z" bar and the wrist position of a drag bar. The result? An aggressive hands-in-the-air riding posture. The fat 1.25" bar replaces mitered and welded corners with cast seamless 90° bends for added strength and style. The cast elbows eliminate sharp internal bends and the bar features removable Bar & Shield plugs to simplify internal wiring.

Fits '15-later FLTRX, FLTRXS and FLTRU models. All models require separate purchase of additional components. Does not fit CVO™ models or models equipped with heated hand grips.

<b>55800439</b>	Chrome.
<b>55800440</b>	Gloss Black.

NOTE: Installation of handlebars and risers may require a change in clutch cables or lines, throttle cables, or brake lines for some models. All modular lower brake lines listed are based on stock front suspension. Harley-Davidson Motor Company cannot test and make specific fitment recommendations concerning every possible mirror and handlebar combination. Therefore, after installing new mirrors, handlebars, or control cables/lines and before operating the motorcycle, check to ensure that all controls are fully functional and that the mirrors provide the operator a clear view to the rear. Handlebar height is regulated in many areas. Check local laws before installation.
