

## ROAD GLIDE® TALLBOY® HANDLEBAR – 55800550A (CHROME), 55800551A (BLACK)

ROAD GLIDE TALLBOY HANDLEBAR

### ROAD GLIDE® TALLBOY® HANDLEBAR

This 1.25" diameter bar features an optimized ergonomic design for taller and long-limbed riders. The bar is 2" taller than the Original Equipment handlebar, and is sized to accept internal wiring for a clean look.

Fits '15-later FLTRX, FLTRXS and FLTRU models. All models require separate purchase of additional installation components. Does not fit CVO™ models or models equipped with heated hand grips.

**55800550A** Chrome.

**55800551A** Satin Black.

NOTE: Installation of handlebars and risers may require a change in clutch cables or lines, throttle cables, or brake lines for some models. All modular lower brake lines listed are based on stock front suspension. Harley-Davidson Motor Company cannot test and make specific fitment recommendations concerning every possible mirror and handlebar combination. Therefore, after installing new mirrors, handlebars, or control cables/lines and before operating the motorcycle, check to ensure that all controls are fully functional and that the mirrors provide the operator a clear view to the rear. Handlebar height is regulated in many areas. Check local laws before installation.
