

ROAD KING®/ROAD GLIDE® TALLBOY® HANDLEBAR – 56180-08 (CHROME)

ROAD KING/ROAD GLIDE TALLBOY HANDLEBAR

ROAD KING®/ROAD GLIDE® TALLBOY® HANDLEBAR
Designed to provide extra touring comfort for the Road King® motorcycle rider, this 1" diameter chrome bar is 2" higher and 1.5" narrower compared to the stock Road King handlebar.

56180-08 Chrome.

Fits '08-later FLHR and FLHRC, '08-'13 FLTR, and '15-later FLRT models. Does not fit '08 ABS equipped models, Sidecar-equipped models, Heated Hand Grips with internal switch wiring, or Handlebar Mounted Gauges. All models require separate purchase of additional components for installation.

NOTE: Installation of handlebars and risers may require a change in clutch cables or lines, throttle cables, or brake lines for some models. All modular lower brake lines listed are based on stock front suspension. Harley-Davidson Motor Company cannot test and make specific fitment recommendations concerning every possible mirror and handlebar combination. Therefore, after installing new mirrors, handlebars, or control cables/lines and before operating the motorcycle, check to ensure that all controls are fully functional and that the mirrors provide the operator a clear view to the rear. Handlebar height is regulated in many areas. Check local laws before installation.
