DEBRIS DEFLECTOR COVER

General

This kit is designed to fit over the debris deflector on all 1991 and later Dyna Glide vehicles.

Kit contents:

ITEM	QTY.	DESCRIPTION
60475-92A	1	Debris Deflector (Domestic)

Installation

1. Remove the stock debris deflector's two REAR screws. Do not discard the screws.
2. See Figure 1. Slide the debris deflector over the stock debris deflector so all three edge clips hold it in place.
3. See Figure 2. Install the stock screws.
