REV. 2006-09-18

CHROME INNER PRIMARY HOUSING

GENERAL

Kit Number

60639-00, 60739-01, 60747-01, 60751-01

Models

For model fitment information, please see the P&A Retail Catalog or the Parts and Accessories section of www.harley-davidson.com (English only).

WARNING

The rider's safety depends upon the correct installation of this kit. Use the appropriate service manual procedures. If the procedure is not within your capabilities or you do not have the correct tools, have a Harley-Davidson dealer perform the installation. Improper installation of this kit could result in death or serious injury. (00333a)

NOTE

This instruction sheet references Service Manual information. A Service Manual for your model motorcycle is available from a Harley-Davidson Dealer.

Kit Contents

Table 1. Kit Contents

Description (Quantity)	Part Number
Chrome inner primary housing assembly	Not Sold Separately

There are no Service Parts available with this kit.

INSTALLATION

NOTE

This kit installs exactly the same way as the original equipment primary housing.

1. See the appropriate Service Manual for your model motorcycle, in the Drive section, for all removal, assembly and disassembly procedures.

NOTE

Chain tensioner anchor plate, bolt and screws should be removed from original equipment and reinstalled on chrome inner primary housing. Tighten screws to 12-14 ft-lbs (16-19 N-m).
