

# PARTS & ACCESSORIES

## POLICE TOUR-PAK® SYSTEMS

Designed for ease of installation and service, the Harley-Davidson® Police Tour-Pak® system is a “plug-and-play” option for Touring Police models. The Tour-Pak system plugs into the vehicle wiring harness, and eliminates the cutting and splicing required with other light boxes. The unique self-contained design allows the LEDs to function without draining the vehicle battery. Features locking latches, hinged metal stays that keep the lid open, and an interior shelf that conceals the electronics and provides a flat writing surface.

P/N 53196-09

## TOUR-PAK® SYSTEMS

The Tour-Pak system is available pre-drilled for side and rear LED lights (sold separately), or as a “Box Only” kit. Includes LED brake light, 4-point LED flasher module, battery charger, external 110-volt power hook-up, fused terminal block, switching relay, ground block, and wiring harness with watertight connectors. Internal battery P/N 65989-97B sold separately. Requires separate purchase of Tour-Pak® adaptor plate for fitment on 2009 FLHP, FLHPE and FLHTP models.

Fits all FLHP, FLHPE and FLHTP models.

<b>53631-04</b>	Black Pre-drilled Tour-Pak for LED Light Kit*
<b>53632-04</b>	White Pre-drilled Tour-Pak for LED Light Kit*
<b>53634-04</b>	Black Tour-Pak without Holes
<b>53637-04</b>	White Tour-Pak without Holes
<b>53196-09</b>	Police Tour-Pak Adaptor Plate (fits 2009-later)

\* Requires separate purchase of LED Light Kit P/N 67634-04, 67638-04, or 67650-04.

## LED LIGHT KIT FOR POLICE TOUR-PAK® SYSTEM

Each kit contains three LED lights to equip the pre-drilled Tour-Pak system for police duty. Available in red, blue, or a split-lens kit, each lens features an embossed Bar & Shield logo.

Fits all FLHP, FLHPE and FLHTP models equipped with pre-drilled Tour-Pak P/N 53631-04 or 53632-04.

<b>67634-04</b>	LED Light Kit with Three Red LED Lights
<b>67638-04</b>	LED Light Kit with Three Blue LED Lights
<b>67650-04</b>	LED Light Kit with one Red, one Blue, and one Split Red/Blue LED Lights (rear)

If purchased without a Tour-Pak® system, a separate purchase of 4-point LED Ballast Module P/N 70672-04 is required.

## EMERGENCY LIGHTING

## PAR 36 FRONT LED PURSUIT LAMP KIT

Designed for rugged duty, the 1" extended sealed red and blue Par 36 LED Lamp Kit replaces the standard front pursuit lamps for added visibility. A variety of flash patterns are available. Kits include extended lens LED lamps, 4-point LED flasher module, and wiring harness. Lenses feature Bar & Shield logo lens covers.

covers. Flasher module is designed to power Front LED Pursuit Lamps and LED Engine Guard Light Kit (sold separately).

Fits all FLHP, FLHPE and FLHTP models.

<b>69250-04</b>	Red/Blue LED Lamp Kit
<b>69262-04</b>	Red/Red LED Lamp Kit
<b>69263-04</b>	Blue/Blue LED Lamp Kit

## ENGINE GUARD LED LIGHT KIT

The lamps clamp to 1-1/4" diameter tubular engine guards, and are adjustable for left-right and up-down positioning. The kit includes one red and one blue LED lamp, and installation hardware. LED lamps connect to 4-point LED Flasher Module P/N 70671-04 (sold separately) and require a wiring harness or can be powered by any Par 36 LED Pursuit Lamp Kit sold above. Lenses feature Bar & Shield logo lens covers.

Fits all FLHP, FLHPE and FLHTP models.

<b>69251-04</b>	Red/Blue Engine Guard LED Light Kit
<b>69264-04</b>	Red/Red Engine Guard LED Light Kit
<b>69265-04</b>	Blue/Blue Engine Guard LED Light Kit
<b>70671-04</b>	4-point LED Flasher Module
<b>70673-04</b>	Wiring Harness

SEE THE FULL LINE OF HARLEY-DAVIDSON GENUINE MOTOR PARTS AND ACCESSORIES IN THE FULL RETAIL CATALOG OR ONLINE AT WWW.HARLEY-DAVIDSON.COM.

## EMERGENCY HEADLAMP WITH BUILT-IN STROBE

Make your motorcycle visible to oncoming traffic. The kit includes a modified headlamp with two white strobe lamps mounted within. The two white strobes draw attention, and the H4+50 headlamp bulb provides superior light to the pavement ahead. Kit includes headlamp and strobe bulbs, headlamp housing, 2-point strobe power supply, and required installation hardware.

**90050-02** Fits '99-later FLHP, FLHPE and FLHTP models

## HEADLIGHT ON/OFF SWITCH (Not pictured)

**91270-92** Fits '06 and earlier FLHP, FLHPE and FLHTP models. (Restricted part—requires written authorization from requesting agency)

**91474-07** Stealth Switch, left side handlebar mounting. Fits '07-later models. (Restricted part—requires written authorization from requesting agency)

**91459-07** Stealth Switch, right side handlebar mounting. Fits '07-later models. (Restricted part—requires written authorization from requesting agency)

Stealth Switch will not work with the H-D® Integrated Radar kit.

## EMERGENCY RESPONSE KITS

The Emergency Response Kits include the basic accessories necessary to prepare a Police motorcycle for field duty. Select from available kits featuring a choice of the following accessories:

**Pole Strobe Lamp** –Telescoping pole-mounted 360-degree strobe beacon features self-contained strobe power supply and internal wiring. Available in blue or red 4-1/2" H x 5-1/2" diameter lens. Does not fit with Police Tour-Pak® systems.

**Siren/Speaker** –The 100-watt siren speaker features heavy gauge polished aluminum horn.

**Siren Amplifier** –The 100-watt amplifier features one-button activation, choice of three siren tones and frequencies, and microphone connection for PA speaker function.

**Police Microphone** –Use the siren/speaker as a PA system. Kit contains noise canceling microphone and required mounting hardware.

Service Parts

## EMERGENCY RESPONSE KIT

Kit includes siren/speaker, siren amplifier, police microphone, speaker bracket, amplifier bracket and lower pole light bracket. Fits all FL models. 91446-00A and 91447-00A do not fit with Police Tour-Pak systems.

<b>91446-00A</b>	Emergency Response Kit with Blue Pole Lamp
<b>91447-00A</b>	Emergency Response Kit with Red Pole Lamp
<b>91453-00A</b>	Emergency Response Kit without Pole Lamp or Lower Pole Light Bracket

**91448-00** PA Microphone Kit

**91156-93** Siren Amp

**91157-88A** Speaker Assembly

## MOTORCYCLE INTEGRATED RADAR SYSTEMS

The Harley-Davidson® Motorcycle Integrated Traffic Radar system provides the highest quality and reliability standards for speed violation detection. This assures equitable treatment of all motorists while maintaining the highest degree of individual and agency credibility.

Radar features state-of-the-art digital signal processing. The 32-bit digital signal processor identifies the target, then computes and verifies speeds at 100 times per second for quick, accurate target speed tracking. Signals are digitally filtered to enhance target identification. The audio pitch corresponds with the target's actual speeds. The Harley-Davidson® computer unit mounts to the rear fender.

Complete system is a motorcycle integrated, dual antenna, moving/stationary doppler radar with a four-window computer/display unit. The display unit features four windows for displaying target speeds, modes, locked speeds, and patrol speeds with easy-to-read LED numbers and icons. The display automatically dims at night for reduced glare and brightens in daylight conditions. Handlebar switches control all the functions and feature raised buttons for use without taking your eyes off the road or your hands off the handlebars.

The interchangeable antennas let you choose a combination that is right for your department. Harley-Davidson offers K- and Ka-band antennas, which are IACP Type III approved, as stated in

# PARTS & ACCESSORIES

the Model Minimum Performance Specification for Police Traffic Radar Devices by the NHTSA.

## MOTORCYCLE INTEGRATED RADAR KIT

Kit includes CPU, Display, Hand Controls, Logic Module, Tuning Forks, operator's manual disc, and all necessary cables and mounting hardware. **Requires separate purchase of antennas and speaker kit.**

Fits all FLHP, FLHPE and FLHTP Police models.

**76122-04A** MPH Radar Kit with Ka Band Tuning Forks

**76123-04A** MPH Radar Kit with K Band Tuning Forks

**76124-04A** KPH Radar Kit with Ka Band Tuning Forks

**76125-04A** KPH Radar Kit with K Band Tuning Forks

**76126-04A** MPH Radar Kit with Ka Band Tuning Forks—Florida Software with Self-Test and Clear

**76127-04A** MPH Radar Kit with K Band Tuning Forks—Florida Software with Self-Test and Clear

## MOTORCYCLE INTEGRATED RADAR ANTENNA KIT

Kit includes mounting brackets for FLHP, FLHPE and FLHTP models. Ka band Antenna measures 2" diameter x 3.75" long,

and K band Antenna measures 3" diameter x 4" long. The antennas mount to the rear turn signal bar or the engine guard.

Fits all FLHP, FLHPE and FLHTP Police models. Rear antenna will not fit with Chrome License Plate Bracket and Tail Light P/N 68230-97A.

**76094-04** Ka Band Radar Antenna Kit—3' Cable

**76095-04** Ka Band Radar Antenna Kit—7' Cable

**76347-04** K Band Radar Antenna Kit—3' Cable

**76348-04** K Band Radar Antenna Kit—7' Cable

## MOTORCYCLE INTEGRATED RADAR

### SPEAKER KIT (Not pictured)

FLHP/FLHPE kit includes Chrome bullet-style handlebar-mounted speakers for a streamlined and stealthy riding style.

**77016-04** Radar Speaker Kit—Powered Handlebar Mount Fits FLHP/FLHPE Police model.

FLHTP kit includes a fairing-mounted OE-style speaker and amplifier module.

**77024-04** Radar Speaker Adapter Kit with Amplifier Module Fits FLHTP Police model.

## HAND-HELD RECHARGEABLE RADAR KIT

Working with Decatur Electronics, Harley-Davidson is able to offer a motorcycle version of the Genesis VP Directional traffic radar. The Genesis VPD is a stationary hand-held radar gun manufactured from impact-resistant ABS plastic. System is powered with rechargeable batteries (kit includes two sets and 110-volt charging stand). Kit includes unique saddlebag-mounted holster

for easy access and secured storage, all necessary mounting hardware, and two certified calibration tuning forks.

Fits all FLHP, FLHPE and FLHTP Police models.

**91642-02** MPH Hand-Held Rechargeable Radar Kit

**91680-02** KPH Hand-Held Rechargeable Radar Kit

**91681-02** Florida Software Hand-held Rechargeable Radar Kit

## SAFETY ACCESSORIES/ORGANIZERS

## REFLECTIVE SADDLEBAG DECALS

These bright headlamp-reflecting decals add additional visibility to the rear of the officer's motorcycle. Produced using 3M® reflective material, these easy-to-install adhesive decals cover the rear panel of the saddlebag. Fits all FLHP, FLHPE and FLHTP Police motorcycles.

**94101** Sheriff Logo (pair)

**94102** Police Logo (pair)

## MULTI-POCKET WINDSHIELD POUCH

**58904-03** Fits King-Sized windshields and Road King® windshields.

SEE THE FULL LINE OF HARLEY-DAVIDSON GENUINE MOTOR PARTS AND ACCESSORIES IN THE FULL RETAIL CATALOG OR ONLINE AT WWW.HARLEY-DAVIDSON.COM.

## LEATHER MULTI-POCKET WINDSHIELD

### POUCH (Not pictured)

**58900-98B** Fits '96-later Electra Glide® models (except FLHX). Does not fit with Wind Deflectors P/N 57185-05, 58207-05, or 58204-98.

## TOUR-PAK® POLICE SHIFT ORGANIZER (Not pictured)

**53255-01** Fits all FLHP, FLHPE and FLHTP models.

## LEATHER TANK PANEL WITH POUCH

**91439-05** Fits '94-later Road King® models (except FLHRS). Does not fit with Personal Accents Console Insert or Bullseye Console Washer P/N 94753-99.

## SADDLEBAG GUARD BAG AND WATER BOTTLE HOLDER

**91991-98** Left side. Fits all FLHP, FLHPE and FLHTP models.

**91992-98** Right side. Fits all FLHP, FLHPE and FLHTP models.

## TOUCH-UP PAINT (Not pictured)

**93910** Peace Officer Special Touch-Up Paint, Dark and Light Blue

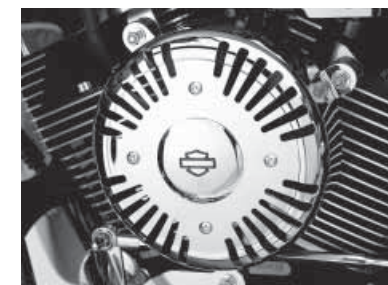

## OIL AND FAN COOLER KITS

## PREMIUM OIL COOLER KIT FOR TOURING MODELS

This cooler features a unique "Turbulator" system that evenly distributes oil across the cooling chambers. The air fins are designed to efficiently dissipate heat. This popular Touring oil cooler has been redesigned to simplify installation and enhance performance. The larger heat exchanger provides additional cooling efficiency. Kit features an adapter plate with integrated thermostat that allows oil lines to connect to the oil filter bracket. Kit comes complete with mounting hardware and pre-cut oil lines.

**26082-05** Fits '99-'06 FLHP, FLHPE and FLHTP models. (Does not fit with Chrome Display Stand P/N 99002-97A or models equipped with sidecar.)

## FAN KIT FOR TOURING MODELS

Complete with a decorative cover with Bar & Shield logo, this handsome Chrome Fan Kit is great for parade duty, rush hour traffic or anytime you are sitting still on your air cooled V-twin

engine. New cover design and stronger brackets ensure that this fan will stand the test of time. Lab results show a 20-degree reduction in oil temperature (measured at the oil tank) when using the fan. Kit includes all hardware and wiring for fan installation and horn relocation.

Fits FLHP, FLHPE and FLHTP models.

**91196-08** Chrome (fits 2007 and newer)

**91550-00C** Chrome (fits 2006 and earlier)

## HEATED HAND GRIP KITS

## HEATED HAND GRIP KIT

Thermostatically controlled grips have variable heat settings and automatic temperature monitoring to adjust to changing ambient temperatures. The self-contained control circuit and control knob means you have no additional switches or controller boxes to mount, and the grips are switched on/off with the ignition to avoid draining the battery.

Fits all 2008-2009 FLHP, FLHPE and FLHTP models.

**56512-08** Rubber Custom Heated Hand Grips

# PARTS & ACCESSORIES

## POLICE/FIREFIGHTER COMMEMORATIVE COLLECTION

### SPECIAL EDITION MEDALLION

Special Edition medallion with Harley-Davidson® Peace Officer or Firefighter logo. Nickel finish. Adhesive backing for easy installation.

- 14813-03** Police medallion. Fits '96-later Electra Glide® inner fairing and other flat surfaces.
- 14814-03** Firefighter medallion. Fits '96-later Electra Glide® inner fairing and other flat surfaces.

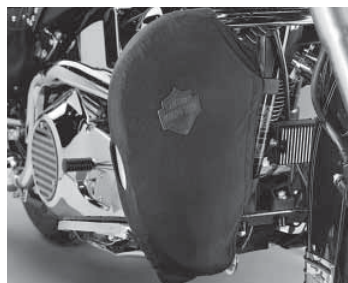

## MISCELLANEOUS ACCESSORIES

### PROTECTIVE SOFT LOWERS

Constructed of reinforced vinyl with polyester backing and black snaps. Install on engine guard for protection against the elements. Easy installation and removal. Should not be used when air temperature is above 50 degrees. (Not for use with Police sirens.)

- 58502-80C** Fits '80-later Touring models equipped with engine guards. Does not fit with siren/speaker or engine guard light kits.

### BAR & SHIELD LOGO SOFT COVERS

Sturdy front engine guard soft lowers feature a durable quick-release latch for attachment and convenience. Should not be used when air temperature is above 50 degrees. (Not for use with Police sirens.)

- 58525-95** Fits '80-'83 and '88-later FLHT, FLHX, and FLHR models without fairing lowers. Does not fit with siren/speaker or engine guard light kits.

### ADJUSTABLE AIR DEFLECTOR KIT

The smoked Adjustable Air Deflectors feature a spring-loaded detent system that locks in four different positions. Close the vent to direct airflow around the fairing, or open the vent to maximize airflow on hot days. Easy-to-install, the complete kit includes left and right deflector and all necessary mounting hardware.

- 57804-07** Adjustable Air Deflector Kit (fits '96-'07)
- 58166-08** Adjustable Air Deflector Kit (fits '08-'09)

- MID FRAME AIR DEFLECTOR KIT** (Not pictured)
- 58002-09** Mid Frame Air Deflector Kit (fits '09)
- 58022-07A** Mid Frame Air Deflector Kit (fits '01-'08)

### SPLIT VISION MIRROR KIT

This exclusive-design minimizes blind spots and provides a wide panoramic rear view of road behind you. Features a large primary panel for normal view, and a second outboard convex panel for a wider field of vision. Chrome-plated, contemporary shape. Sold in pairs.

- 92190-06** Split Vision Mirror Kit. Fits '82-later models (pair).

### SHORT-STEM "TRUE IMAGE" MIRRORS

(Not pictured)

Fits all models.

- 91875-82TA** Right side.
- 91892-82TA** Left side.

### ILLUMINATED LED WINDSHIELD MOLDING KIT

Smoked lenses hide bands of four amber LED lamps that glow as running lamps when the ignition is on. Two outer clusters

SEE THE FULL LINE OF HARLEY-DAVIDSON GENUINE MOTOR PARTS AND ACCESSORIES IN THE FULL RETAIL CATALOG OR ONLINE AT [WWW.HARLEY-DAVIDSON.COM](http://WWW.HARLEY-DAVIDSON.COM).

function as auxiliary directional indicators when the turn signals are activated. The wiring is concealed inside the fairing for a clean, custom appearance. Complete kit includes all necessary mounting hardware.

- 57335-08** Illuminated LED Windshield Molding Kit. Fits '96-later Electra Glide® and Street Glide® models.

### LIGHTED CHROME DIRECTIONAL BAR

Chrome-plated bar provides a custom look with complete integration. LED light pods provide auxiliary lighting for both brake and tail light. Patented.

- 68143-98A** Lighted Chrome Directional Bar. Fits '86-later FLSTC and '93-'96 FLSTN models; '91-later FLT, FLHT, FLHS, FLHR (except FLHRS and FLHX), and '98-'03 FLTR models. Directional Lamps not included.

### MIRRORS WITH AUXILIARY RUNNING LIGHT AND DIRECTIONAL INDICATOR

Forged and chrome-plated mirror combines a traditional swept shape with contemporary forward-facing auxiliary lighting that commands attention from oncoming traffic. Smoked lenses hide

bands of amber LED lamps that glow as running lamps when the ignition is on, and add a fast-acting auxiliary directional indicator when the turn signals are activated. Both mirrors flash when the emergency hazard lights are activated. The wiring is concealed in the housing and stem, and is easily connected to the Original Equipment wiring harness.

- 92059-07** Mirrors with Auxiliary Running Light and Directional Indicator. Fits '97-later models (pair).

### CHROME LICENSE PLATE/BRAKE LIGHT KIT

- 68230-97B** Fits '97-later FLHP, FLHPE and FLHTP models. Does not fit with Integrated Radar System Rear Antenna.

### AUXILIARY BRAKE LIGHT/TURN SIGNAL CONVERSION KIT

(Not pictured)

- 69461-06** Fits all FLHP, FLHPE and FLHTP models.

### UTILITY LIGHT

- 90270-99** Universal fitment. Approximate size: 3-1/4" x 3" x 3/4" (Batteries not included)

### JIFFY STAND EXTENSION KIT

- 50233-00** Fits '97-'06 FLHP, FLHPE and FLHTP models.

### GPS NAVIGATION SYSTEM

The easy-to-use compact unit includes a sunlight-readable LED backlit color screen, large control buttons and is loaded with internal memory for powerful mapping capabilities. The mapping package includes fully unlocked MapSource® City Select CDs with coverage of the U.S., Canada and Puerto Rico. Built-in USB data connection port allows fast downloads of other MapSource® information. The high-speed internal processor provides fast automatic off-route and detour recalibration. Plug the waterproof system into the mount (sold separately) to automatically power the unit and recharge the internal lithium-ion battery, or easily remove it when parked to provide up to 20 hours of off-bike use as a portable navigation tool.

- 92319-06** Road Tech Conquest GPS Navigation System
