VRSC™ HANDLEBARS

REDUCED REACH HANDLEBAR

BLACK HANDLEBAR FOR NIGHT ROD® SPECIAL
Complete the transition to the "dark side." Elegant satin-black finished handlebar retains the comfortable contour of the Original Equipment bar, and complements the black finished hand controls and mirrors.

REDUCED REACH® HANDLEBAR
With a shape designed to place the handlebar closer to the rider, this Reduced Reach® Handlebar puts the rider in an upright seating position for added comfort and control. Bar provides 4.0" pull back and 1.5" of rise over stock VRSCDX handlebar. When combined with a Reduced Reach Seat P/N 52024-01 and Reduced Reach Control Kit P/N 50360-04, the VRSCDX model can be configured to provide a compact hand-seat-foot relationship for the shorter rider. Satin black handlebar complements the VRSCDX's dark side. Original Equipment on '12-later VRSCDX models.
