THE HILLCLIMBER

This larger-than-life bronze statue depicts the drama and daring of a hill-climbing race. Sculpted by renowned artist Jeff Decker.

THE SHED

The first H-D factory was a 10-by-15-foot shed behind the Davidson family's Milwaukee home. This 1903 replica is based on photos from the Archives.

EXPERIENCE GALLERY

Climb into the saddle and smile for the camera! It's your chance to touch, admire and sit on both new and classic Harley-Davidson® motorcycles.

HARLEY-DAVIDSON WALL

This massive brick wall bearing the name of the most iconic brand in motorcycling has become one of the most popular photo spots for visitors from around the globe.
