Be A Museum Reporter

Name: __________________________________________________________________________

The Harley-Davidson Museum™ is not just about motorcycles, but is also a collection of stories of the people, experiences and events that are part of both US and world history. As you visit the Museum, find a story that is interesting to you and gather some information about that person. List your facts in the spaces below.

Person: __________________________________________________________________________

Fact #1: _________________________________________________________________________

Fact #2: _________________________________________________________________________

Fact #3: _________________________________________________________________________

Fact #4: _________________________________________________________________________
In the space below take the information you learned and write a news article, poem, diary entry, letter to the person, scrapbook page, or story about the person.
